

THE BRACKENRIGG INN

Here at The Brack we are very proud of our Cumbrian Produce & pride ourselves on using very best Local Suppliers & Ingredients available. 2016 was a busy year for us here in Watermillock as we opened our Microbrewery here to the rear of the Inn, named BRACK 'N' BREW.

We are now producing up to 5 Ales & we are supplying other local Inns, Restaurants & Cafes throughout Cumbria as well as bottling our Brew for local shops & Deli's. As you will read throughout our Menu, we have incorporated our Ales in some of our dishes including our Braised Beef & our Brack n Brew Bangers... Enjoy!
