

# THE BRACKENRIGG MENU

Here at The Brack we are very proud of our Cumbrian Produce & pride ourselves on using the very best Local Suppliers & Ingredients available.

We are now producing 5 Ales in our micro brewery housed in the old stables at the back of the inn, & we are supplying other local Inns, Restaurants & Cafes throughout Cumbria as well as bottling our Brew for local shops & Deli's. As you will read throughout our Menu, we have incorporated our Ales in some of our dishes including our Braised Beef Pie & our Brack'N'Brew Bangers... Enjoy!
